The Board has jurisdiction over Respondent and the subject matter of this case pursuant to lowa Code chapters 17A, 147, 155A, and 272C, and 657 IAC chapters 2 and 36.

IEGAL GROUNDS A.

- 1. The Board has the authority to deny a pharmacist license if the applicant violated any Board rules that would constitute grounds for disciplinary action. See lowa Code §§ 147.4 and 155A.12(1).
- 2. Pursuant to 657 IAC 36.6(30), the Board may impose discipline for having disciplinary action taken by a licensing authority of another state.

FACTUAL CIRCUMSTANCES B.

- 3. Respondent was issued pharmacist license number 17332 on October 30, 1989, which has been expired since June 30, 2005.

- 5. The application disclosed disciplinary action taken against Respondent's pharmacist license in Nebraska in 2006. Respondent's Nebraska pharmacist license was on probation until January 4, 2009.

C. REACTIVATION BY CONSENT

6. Respondent admits the allegations in the Factual Circumstances and acknowledges that the allegations, if proven in a contested case hearing concerning license renewal application denial, would constitute grounds for the adverse action agreed to in this Agreement.

- 7. Execution of this Agreement constitutes the resolution of a contested case. Respondent has a right to hearing before the Board on the grounds for license renewal application denial, but Respondent waives the right to hearing and all attendant rights, including the right to appeal or seek judicial review of the Board's action, by freely and voluntarily entering into this Agreement. Once entered, this Agreement shall have the force and effect of a Board Order entered following a contested case hearing concerning license renewal application denial.
- 8. Respondent acknowledges that she has the right to be represented by counsel on this matter.
- 9. This Agreement is subject to approval by a majority of the full Board. If the Board does not approve this Agreement, it shall be of no force or effect to either party, and shall not be admissible for any purpose in further proceedings in this matter. If the Board approves this Agreement, it shall be the full and final resolution of this matter.
- 10. This Agreement shall be part of Respondent's permanent record and shall be considered by the Board in determining the nature and severity of any disciplinary action to be imposed in the event of any future violations.
- 11. Respondent understands that this Agreement constitutes adverse action and that the Board is required by federal law to report any adverse action to the National Practitioner Data Bank.
- 12. This Agreement, when fully executed, is a public record and is available for inspection and copying in accordance with the requirements of Iowa Code chapters 22 and 272C.
 - 13. The Board's approval of this Agreement shall constitute a FINAL ORDER of the Board.

IT IS THEREFORE ORDERED:

- 14. Upon completion of administrative requirements, Respondent's pharmacist license shall be reactivated.
- 15. Respondent is hereby **CITED** for her prior disciplinary action and **WARNED** that future violations of the laws and rules governing the practice of pharmacy can result in further disciplinary action.
